## ▶ FATIGUE-FREE SHIFTS

Cruise through your workweek! Our V-Drive transmission and Cruise Control offer a smooth, quiet ride, so you can ditch the fatigue and stay focused on what matters most.

## ▶ CUT THE NOISE

Enjoy a quieter, more comfortable workday with the V-Drive transmission, designed for smoother operation. With a 60% reduction in vibrations and the elimination of the transmission's whistle sound, it cuts noise both inside and outside the cabin. And paired with features like the Stop & Start function, you'll get the job done with less disturbance!

## ▶ OPTIMIZE YOUR RIDE

Cut costs with our V-Drive transmission! Enjoy better fuel efficiency with ECO-Ride, enhanced safety with a Maximum Speed Limiter, and increase your resale value with the Stop & Start function. Keep your budget in check and your savings growing.

## ▶ SMOOTH AND SAFE

With Cruise Control and a Maximum Speed Limiter, our telehandlers keep you safe and in control on the job. You'll enjoy smooth, steady operation while maintaining the highest safety standards.

## ▶ STAY IN MOTION WITH OUR CONTINUOUS TRANSMISSION

Our new V-Drive continuous transmission, lets you accelerate from 0 to 40 km/h without stopping or shifting gears. It offers best-in-class traction, effortlessly adapting to any terrain. Keep driving without interruptions all shift long!
